## Terms and Conditions of Sale

Ontario Livestock Exchange acts as a sales agent only and assumes no responsibility as to guarantees of soundness, breeding contracts or statements made by consignor. Any verbal announcements made day of sale takes precedence over any previously printed matter. All guarantees are between buyer and seller.

1. Terms of the sale are cash. Payment in full must be made immediately after the sale. A cheque is acceptable from properly identified individuals, *upon approval by the office*. We will accept debit cards. On final payment for a horse the cashier will issue a release form of which must be presented to one of the sale staff to release the horse from the sale barn.
2. All horse purchases are subject to 13% HST
3. The highest bidder will be the buyer. If a dispute arises between 2 or more bidders, the horse shall immediately be put up again for advance bids. If there are no advance bids, then the horse shall go to the person from whom the auctioneer recognized the last bid. The auctioneer reserves the right to reject any, and all bids.
4. Unless otherwise announced at the time of sale by the owner there is no guarantee or warranty of any kind as to the soundness or condition of any animal. The buyer has a responsibility to examine a horse carefully before they bid on it
5. All horses will be sold on the information in the foot notes of which were furnished by the consignor. The sale staff and auctioneer is neither responsible for any foot notes or for any warranties concerning the horse catalogued.
6. No reserves are taken. All consignors must protect their own horse. Otherwise, when the auctioneer announces "sold" the animal will be sold to the new buyer.
