4. Unless otherwise announced at the time of sale by the owner there is no guarantee or warranty of any kind as to the soundness or condition of any animal. The buyer has a responsibility to examine a horse carefully before they bid on it
5. All horses will be sold on the information in the foot notes of which were furnished by the consignor. The sale staff and auctioneer is neither responsible for any foot notes or for any warranties concerning the horse catalogued.
6. No reserves are taken. All consignors must protect their own horse. Otherwise, when the auctioneer announces "sold" the animal will be sold to the new buyer.
